

# Free Additional Driver

## Avis invites you to take advantage of a free additional driver on your next rental as a Norwegian Reward Member

Simply present this coupon to the rental service agent at the time of rental.

### Terms and conditions

1. All Norwegian Reward members are eligible for one free additional driver on every qualifying rental worldwide
2. Simply make your reservation as normal and then request an additional driver to be added when you collect your car. If additional driver is added at time of reservation you will see the additional cost. The cost for additional driver will be removed when you collect your car.
3. The additional driver must meet standard Avis age and driver requirements for that rental location. The additional driver must present a full valid driving licence (both parts if new style UK paper/picture card version; International Driving Permit if the driver's licence is in written in non Roman alphabet e.g. Greek / Arabic etc.)
4. Only one additional driver may be claimed free of charge per rental. Further additional drivers will be charged at time of rental at the appropriate rate published for that location.
5. This benefit is available for all Norwegian Reward Members only, on qualifying rentals.
6. To qualify, reservations must be made using a Norwegian Reward/Avis Worldwide Discount (AWD) number: W131400, W251700 or W130900. Reservations made on [www.avisworld.com/NorwegianReward](http://www.avisworld.com/NorwegianReward) will have an AWD automatically embedded in the reservation.
7. If any other AWD number is present in the rental booking no free additional driver will be awarded.
8. If any other AWD number is present in a customer's Avis Preferred profile and this is used in the rental booking no free additional driver will be awarded and once booked this cannot be reversed.
