

Global Travel Partnerships

Please remember to use the correct Partnership AWD

One of the key strengths underpinning Avis Europe's leadership position is the quality and tenure of our partnerships, which are regarded as essential to the future strategic success of the Group. We work with more partners than any other car rental company and have a healthy ongoing relationship with each one, thanks to the commitment made by you.

Our partnerships are a tremendous source of revenue for the Group. Having the correct information is an essential part of the relationship we continue to build and maintain with our partners and our customers gained through this part of the business.

This guide has been put together to act as a portfolio of our partners, providing valid key information needed to make a rental booking for any member of a partner loyalty programme.

AVIS

We try harder.

Helpful hints on:

Frequent Flyer Programmes

At the time of reservation or rental, please enter airline code / FTP number in FTN field e.g. KL / 3332221111.

Manual locations must fill in form F388 and submit information on a weekly basis.

For Frequent Flyer special rates / discounts, please use AWD number and RR or RS in PAC field. Some Frequent Flyer Programmes will have promotion AWDs which will be quoted by the customer at time of rental when applicable

Flydrive Programmes

For Flydrive rates / discounts, please use AWD number and RR or RS in PAC field.

Frequent Traveller Award Redemption

Please refer to reverse side of coupon for processing instructions.

For more details about these programmes, please refer to Marketing & Sales Portfolio, Partnerships section 7.
